

Membership of the Haarlemmermeersche Golf Club

The social life of a golf club is one of the most important features of the game of golf. The Haarlemmermeersche Golf Club is a vibrant and congenial club with 1250 members, all of whom are entitled to take part in club competitions, the club's annual golf week and many other events, such as the popular golf & bridge evenings.

The golf course is situated in a peaceful green zone, away from the noise of flight paths and motorways. In addition to the club's 27 A-status championship holes, 9-hole par 3 course, covered and floodlit driving range, floodlit practice facilities, PGA-certified Golf academy and a small but well-stocked golf shop, the Haarlemmermeersche also offers its members a stylish clubhouse with an excellent restaurant and spacious terrace.

The course was first designed as a 9-hole course by Christy O'Connor Jnr in 1986 before being extended to 27 holes by Alan Rijks in 1997. Some of the holes wind their way through typical Dutch landscape, while others are set in magnificent parkland and lined by splendid oak trees. A veritable oasis of peace and calm in the busy Randstad.

Every day we welcome our members and their guests, and also the many Business Club Members, green fee golfers and visitors to the restaurant who avail of the club's facilities, as well as groups who come to take part in clinics, tournaments and meetings.

The Haarlemmermeersche is much more than just a social club, however. It is also a very competitive club and is represented by 21 different teams in competitions organised by the NGF (Dutch Golf Federation).

With a Topgolf youth programme, club competitions for all handicaps and many social golf outings the club has plenty to offer golfers of all levels of ability.
